

As of January 15, 2014 we are pleased to welcome

HYDROFLEX Russland, OOO

to the worldwide network of dealers for

The Toro Company

Later this year, Toro will celebrate our 100 year anniversary. Our long term success has been based on product innovation, long term customer relationships, and working with industry leading dealer partners. The commitment to service and technical support, as well as the knowledge of the customer will be key to growing the underground business in Russia and the surrounding CIS markets.
